

Beneath the Sea®

March 25, 26, 2023

**Meadowlands Exposition Center
Secaucus, New Jersey**

Special BENEATH THE SEA EVENT FRIDAY, MARCH 24

Beneath the Sea presents : FREE MARINE CAREERS DAY

8:30 am Registration 9:00a.m. to 4:00 p.m.

for students, scholars, anyone seeking a marine career

Are you a middle school, high school, or college student interested in exploring marine careers? Join us for the Marine Career Program to learn more!

This one-day event will feature speakers from a variety of marine-related industries. Hear from professionals, ask questions, and explore the many options available to you.

Marine Career's day is not all sit and listen, there will be hands-on workshops throughout the day.

Our speakers represent:

- Marine Science**
- Marine Biology**
- Marine Arts**
- Aquaculture**
- Marine Engineering**
- Marine Conservation**

Don't miss this unique opportunity to access the possibilities of a marine career.

Admission is free!

Not a bad price to pay for a key to your future!
